

Curriculum Vitae

Broc Lane Pratt, M.D.

Education: M.D., University of Florida College of Medicine
Gainesville, Florida

B.S. Biology, University of South Florida
Tampa, Florida

Postgraduate Training: Fellowship, Plastic & Reconstructive Surgery 2003-2005

Division of Plastic & Reconstructive Surgery
Department of Surgery
University of North Carolina at Chapel Hill
C. Scott Hultman, M.D., Chief

Residency, General Surgery 1997-2003

Department of General Surgery
Carolinas Medical Center
Charlotte, North Carolina
Frederick L. Greene, M.D., Chairman

Surgical Research Fellow 1999-2000
Department of General Surgery
Carolinas Laparoscopic and Advanced Surgery Program
Carolinas Medical Center
B. Todd Heniford, M.D., Chief of Minimal Access Surgery

Academic Appointments: Clinical Instructor – Plastic Surgery 2005-2008
Carolinas Cosmetic and Plastic Surgery
900 East Blvd
Charlotte, NC 28203

Memberships: American Society of Plastic Surgeons - candidate for membership
American Medical Association
North Carolina Medical Society

Community Service: Habitat for Humanity
Baptist Medical Center: Ghana, West Africa

Licensure: North Carolina Medical License
Certificate No. 2005-01398

Honors and Awards:

American Hernia Society Surgical research Award: 2001
Optimal Teaching Environment for Laparoscopic Ventral Hernia Repair

Society of American Gastrointestinal Endoscopic Surgeons (SAGES) 2001
Endoscopic / Laparoscopic Research Award:

Evaluation of Adhesion formation to e-PTFEMesh, Polypropylene Mesh, and Sepramesh Utilizing Micro-laparoscopy in a New Zealand White Rabbit Model	
<u>Southern Medical Association Surgical Research Award:</u> Laparoscopic Splenectomy for Malignant Hematologic Disease	2000
<u>National Medical Association Clinical Research Award:</u> A Comparative Analysis of the Effectiveness of the Ultrasonic Shearing Device, The LigaSure Vessel Sealer and Surgical Clip Application in Biliary Surgery - Second Place, Resident Competition	2000
<u>National Medical Association - Poster Award Winner:</u> A Comparative Analysis of the Effectiveness of the Ultrasonic Shearing Device, The LigaSure Vessel Sealer and Surgical Clip Application in Biliary Surgery	2000
<u>North Carolina Chapter of the American College of Surgeons Clinical Research Award:</u> Laparoscopic Resection of Gastric Stromal Tumors – First Place, Resident Competition	2000
<u>Carolinas Laparoscopic and Advanced Surgery Program Award:</u> Outstanding Contributions to Laparoscopic and Minimally Invasive Surgical Research	2000
<u>Society of American Gastrointestinal Endoscopic Surgeons (SAGES)- Poster of Distinction:</u> Criteria for Adding a Hand-Assisted Device in Laparoscopic Splenectomy for Splenomegaly	2000
<u>Florida Chapter of The American College of Surgeons: Ambrose Pare´Award</u> Outstanding Medical Student in Surgery	1997
